Welcome

“

Welcome distinguished guests, ladies and gentlemen, boys and girls. I'd like to begin by thanking you all for helping us celebrate the 60th Anniversary of St Patrick's Irish Club.

The club was originally established by Irish families to promote and keep alive the culture and heritage of Ireland. It started on this site, overlooking the River Leam, and soon became a vibrant hub for the local Irish Community, who affectionately referred to the club as 'THE HOOT'.

In 1993 the committee took on the daunting challenge of demolishing the existing building to build a bigger and better premises to accommodate the clubs future potential and growing popularity. Whilst it was being built we had use of the Farmers Club, which unfortunately no longer exists, where we were able to have a base for the membership to socialise and have live music at weekends.

On 16th April 1994 the new club was opened by Joseph Small, the then Irish Ambassador to Britain, and within ten years we had paid the loan payments and owned the club outright.

It is a great achievement that we are still thriving to this day, after 60 years.

I personally put this down to the loyal membership and excellent committee people we have had down through the years and whom always give their time and effort voluntarily to address any problems and explore new ideas.

I am honoured to be the new chairman of this great club and would like to take the opportunity to pay tribute to my predecessors and fellow countrymen, namely Tom Kennedy (RIP) and Brian Thurlow.

Thank you

Michael P Lucey, Chairman

”
